

V.P. Joe Biden

YOU WIN 1st PLACE!

We think you're number 1, **really special**, and even though you **supported a tyrannical scum bag (OBAMA) for 8 years ...** and you're likely suffering from late stage dementia ... and you **creep on women** like some old-ass lecherous douche? - well ... we still think you're great JOE (you rancid old fuck).

You're a winner.

You get 1st fucking place ...
